Only Betty's has the Best Soil, the Best Fertilizers and the Best Grass Seed in America!

This year, don't just plant your lawn in

DIRT!

Soil Builder

BLACK LOAM TOP SOIL

For Top Dressing the Best Lawns in Town

The Landscape Top Dressing That Never Needs Replacing

A. No straw needed except on severe slopes.
B. Soil Builder cuts Germination time in half!
C. Lawn quality will greatly improve… while maintenance will be reduced.
D. If your lawn pH is off only 2 points, it can use only 30% of Fertilizer. Soil Builder's high pH promotes maximum seed germination rate and fertilizer use efficiency.
E. Soil Builder's 100% organic nature provides a nutrient and moisture storage area.

In Bulk or Bag. Priced $60.00 per cubic yard. Simply spread over new area — no rototilling necessary. So refined it can be spread over existing lawns to correct grade. For lawns, Annuals, Perennials, Vegetables, Roses, Lilacs and Bulbs.
